Section 508 Certification by VASTEC, Inc. is a designation that VASTEC, Inc. has performed electronic document remediation based on the guidelines in the attached "VASTEC Electronic Document Accessibility Standards", set forth as a baseline for accessibility and Section 508 compliance.

Certification by VASTEC, Inc. does not guarantee or warrant against liability from any third party relating to Section 508 compliance. Certification by VASTEC indicates only that the products and services performed by VASTEC have met the specific requirements of its certification process, but it is not an absolute guarantee.

<sup>\*</sup>This certification is to provide customers verification that their documents meet the requirements set forth by the U.S. Access Board for Section 508, as interpreted by VASTEC, Inc. However, this certification does not confer or imply any warranty, express or implied, written or oral, statutory or otherwise, with respect to the certifications provided by VASTEC, Inc.
